MD ASIF MONDAL

FullStack Dev @Ditinex | Knight @Leetcode(1870+)| CSE'24
Kolkata, West Bengal, India

Summary

Hello ! Myself MD Asif Mondal, a Computer Science student of 3rd year. I am a software enthusiast and creative minded student and interested to learn new technologies day by day. I am an expert C++ coder and do solve DS & Algo problems on leetcode, GFG and other platforms consistently. Besides these, I am a frontend developer and have worked on several WebApp projects. Currently I am open to join a good IT company as an intern and showcase my talent with these techStacks as well as learn new technologies. My future aim is to get placed in top MNC's with a SDE or other technical profile and give my 100% there.
